

## HOUSEHOLD INFORMATION REPORT – LETTER TO HOUSEHOLDS

Dear Parent or Guardian:

We are pleased to inform you that Lincoln Consolidated Schools will be participating in the Community Eligibility Provision (CEP) as part of the National School Lunch and School Breakfast Programs for the School Year 2022-2023.

The GREAT NEWS is that **ALL students enrolled at our school district can receive a healthy breakfast and lunch at NO CHARGE** to your household each day.

In place of the Free and Reduced-Price Meal Application we still need every household to **fill out and sign the Household Information Report, even if you do not plan to use the meal service**. This report is *critical* in determining the amount of money that our school district receives from a variety of State and Federal supplemental programs like Title I A, At-risk (31a), Title II A, E-Rate, etc.

These supplemental programs have the potential to offer supports and services for our students including, but not limited to:

- Instructional supports (staff, supplies & materials, etc.)
- Non-instructional services (counseling, social work, health services, etc.)
- Professional Learning for staff
- Parent and Community engagement supplies and activities
- Technology

We are asking that you please complete and submit the Household Information Report to your school office as soon as possible to ensure that additional funding is available to meet the needs of our students. For households with students in multiple buildings, you only need to complete one form and submit it to any of your children's school buildings. All information on the report submitted is confidential. Without your assistance in completing and returning the attached report, our school cannot maximize the use of available State and Federal funds.

If we can be of any further assistance, please contact your school office.

Sincerely,

Robert Jansen  
Superintendent
