Yearbook Staff

Editor-in-Chief

SUE ANN WILLSON

This page is always the one which gives the yearbook staff the most pleasure, for it is the one last laid out in order that all who have in any way contributed to the production of the 1967 Liberator may in this slight way be credited for their gift of self and time. We all appreciate the sound of applause, but at this point in time it seems we hear only the sound of one hand clapping.
