# ADMINISTRATION

# AND STAFF

# AT THE TOP . . .

Our seven school board members are responsible for managing every aspect of education in the Lincoln schools. Establishing and allocating the district's budget is one of the board's most essential and time-consuming tasks, of course, but the members are also involved in personnel decisions: they hire the superintendent and approve all other employment decisions. In addition, it's the school board members who determine the general educational goals and objectives of the Lincoln schools and who oversee curriculum development and changes.

Members of the 1986-87 Lincoln School Board are (seated) Mrs. Mary Higgins, Vice-President; Mrs. Margaret Crawford, President; (standing) Mr. William Borgstadt; Mr. Frank Sinclair; Mr. David Dejanovich, Treasurer; Mr. Richard Pasky. Not pictured: Mrs. Carolyn Seidl, Secretary

The school board meets every second and fourth Monday of the month to discuss its own agenda and to listen to the concerns of the school community. On the left is Mr. Kenneth Dyer, Assistant Superintendent and Director of Finances.

One of the board's highlights for the 86-87 school year was the dedication of our brand new football field. At a half-time ceremony during the Homecoming game, Dr. Chalker and President Crawford cut the ribbon on the 50-yard line.

Dr. Donald Chalker  
Superintendent

Dr. Charles Kratz  
Principal

The board meetings are open to the Lincoln Community. In addition to the number of parents who attend, Lincoln High government and social studies students often come to fulfill a class assignment.

Mr. Raymond Jones  
Assistant Principal

## Thanks For All Your Help . . .

Teachers teach, right? But they alone don't make a school work. Imagine life at Lincoln without Mrs. Kremkow, Mrs. Morcum, Mrs. Zywicki, and the other secretaries to answer any questions students have about how the school operates. Imagine there being no cafeteria staff to provide food at lunch time. Imagine how the building would look after only one week if the custodians weren't there to clean up the clutter students make or to keep things in good repair. Imagine a school day without Virginia's smiling face. Imagine how much less helpful Lincoln schools would be without the nighttime and extra curricular courses offered to the whole community by the Community Ed office. All these people, and many more, keep the school running and make the teachers' jobs easier and the students' days smoother.

# Introducing The Teachers . . .

The teachers at Lincoln represent a wide variety of backgrounds.

The subjects they teach reflect their individual interests: Ms. O'Connor's love of languages, whether French or American literature; Mrs. Porter's interest in math, chemistry, and computers; Mrs. Guernsey's abilities as a grammarian as well as a director of the school's drama department; Mr. McGehee's and Mr. Bowman's enthusiasm for music and musical programs, to name only a few.

While each year brings new teachers to Lincoln — Mrs. Waltman, Mr. Parcha, Mrs. Ellwein, Ms. Johnson, and Mr. Cox in 1986-87 — many of Lincoln's teachers have been here for several, well-established years. For example, Mr. Burns, who retired in December, 1986, had been teaching geography and industrial technology for eighteen years.

# Varsity Softball Players Battle And Win

According to Coach Bara, the 1986-87 varsity softball season was a resounding success. The team members were, he says, "real battlers who NEVER gave up." Beginning the season with a "struggling program," the team increased its yearly wins from 2 or 3 per season to 8 or 9 wins this year.

The girls began the season with several wins and, while they faltered at mid-season, they finished very strongly. The highlight of the season was most definitely an extra inning win over 1985-86, 1986-87 Class C state champs Gabriel Richard.

# Varsity Baseball-A Season Of Steady

The 86-87 varsity baseball team, which finished 4th in the SEC with a 10-21 overall record, experienced "tremendous growth and steady improvement" throughout the season, according to Coach McCarty. Since only four seniors were on this year's roster, the 87-88 team, with its many veteran players, should realize all the potential which the 86-87 team showed at different parts of this season.

At season's end, two Lincoln players, second baseman Shawn Alliston and pitcher Bryant Kramer, were named to the SEC second team. In addition, several other Lincoln players were given honorable mentions.

Team members (front row, l to r): Jeff Lafferty, Shawn Alliston, Tom Losey, Chris Warren; Craig Bindus, Damon Gillis, Bryant Kramer, Jeff Nowak, Chris Ivey; Coach McCarty, Mike Fingerle, David Bieszk, Danny Hall, Scott Griffith, Joey Blust, Mark Kimbrell, Coach Phillips.
