Nineteen Eighty Four

THE 1984 LIBERATOR

**LINCOLN HIGH SCHOOL
YPSILANTI, MICHIGAN**

DEDICATION

And now, dear friends, it is time to say, not good-bye but "Au Revoir" and "Hasta la vista" to Madame y Senora Jones who has, for the past twenty years served as the foreign language department of this high school. Sponsor of the Language Club, she initiated the Fiesta-Fete celebration which helped to acculturate our foreign language students. Eh Bien, que sera, sera.

Also deciding to hang it up after twelve years of dedicated service to the students of this district is Ed Lutz. Member of the Board of Education he served often as its president and always as its conscience. We show him above in a characteristic pose stretching out a hand to those he might help, in this case Bill Bunton.

In the picture left President Crawford is seen doing what presidents are wont to do — speaking to their constituents — in this case those gathered at Pease Auditorium for commencement, after a lapse of 23 years. She is attired in academic garb as were all those on stage, as befits an educational enterprise of this sort. Cool? Not really.

Shown left with his protégé, Mark Lewis, is Coach Sid Wright whose emphasis on pride has produced a team of which we can truly be proud. Mark took firsts in the 100, 200, helped win the relay, *and* took third in the long jump. Next year, of course, says Coach Wright . . .

Activities

The Sophomore class really frosted them all when they waltzed off with the first place trophy in this year's competition for homecoming floats. Unfortunately we were not able to treat the Bulldogs from Chelsea in the same manner, so we'll consider this one more episode in a long running serial (cereal?) in which the good guys do not always win.

This is a picture that speaks for itself, saying, "Color me two (too)" for that is where the Class of 1985 finished this year with its Breakfast of Champions. Calculated to bowl the judges over, but now quite successful in that regard, the float has no place left to go but next year.

Paraded before you now is the output of the Class of 1984, the nighty, mighty seniors. As you see it occupies the third position on this page which, for those of you who are good at inferences, denotes that this float (you guessed it!) finished in third place. But at least they won't have to do it again, will they?

And now presenting, in fourth place where they have always traditionally been we give you the class of 1987, otherwise denominated the freshmen. As you all know by now, Lucky Charms are for kids and wabbits, but not for first place. But then the practice did them good. Wait till next year!

Vide picture #1!
