- ① Timesheets must be submitted to your administrator by this date in order to be included in payroll. If your timesheet is late *for any reason* you must complete an InformedK12 [Payroll Check Request](#) and notify both your administrator and payroll. Failure to do so may result in your pay being delayed to the next pay day.
- ② All payroll items including: W4 changes, direct deposit changes, missed timesheets, and check requests must be received by payroll by this date in order to be processed on the upcoming paycheck.
- \* Pay days marked will include Health Insurance Deductions. Insurance Year is July to June

*Dates after 7/1/24 are tentative and subject to change.*
